

Using Evaluation Tools to Strengthen Your Development Program – Part 1

Linda Lysakowski will focus on what areas of your development program you need to evaluate as well as offering evaluation tools to assist you in assessing your current development program. During this webinar, you will be given a link to a survey to help you assess your program. Our February 25th Webinar Part B, Linda Lysakowski will review the results of the surveys and highlight areas of improvement within the various development programs. This two part Webinar series is designed for mid-level managers of development offices and those responsible for planning their organization's development program. It is NOT necessary that you attend both webinars but highly encouraged.
